PROFESSIONAL SUMMARY

Hi there! I am a student, freelancer, and full-stack developer pursuing a Bachelor of Technology in Computer Science and Engineering from Amity University, Haryana.

I always enjoy connecting the dots and creating innovative solutions to modern problems. My strength lies in my ability not to be deterred by difficult circumstances and to maintain my composure in stressful situations.

I am a huge fan of open-source and have contributed to numerous such projects. I have excellent communication skills too and can precisely convey my thoughts and ideas. I have taken on numerous leadership roles throughout my academics.

I am graduating in June 2025 and am interested in internships and part-time full-stack development or security analyst roles (remote). Please do not hesitate to contact me by email or phone.
